

# Become a KC Scholars Scholarship Reviewer

**Why?** KC Scholars will need more than 200 community members to review essays and recommendations. This is a great way to become part of a large movement in KC to help more Kansas Citians go to and complete college.

**How do you apply?** Applications open at [kcscholars.org](http://kcscholars.org) on January 1 & are due by **February 2, 2018**.

**How much time do you have to commit?** 18-20 hours between mid-March and early April. Only 2.5 hours are in-person at a training. The rest of the time is spent wherever you like by reviewing applications online (by the lake, in your pajamas, or at your local coffee shop). You can review from anywhere!

**Need more information?** Reach out to [info@kcscholars.org](mailto:info@kcscholars.org) or 816.581.5700.

# KC Scholars

## Three different programs:

- Up to \$10,000/year traditional college scholarship awarded in 11th grade, renewable for five years
